

ESSENCE

- **Description:** Essence provides a level of natural transparency that exhilarate the eye. This full grain, pure aniline naked leather is tanned in Italy. A vacuum dried process shrinks the natural grain giving a mid-modernized leather look perfect for any type of styling. The natural supple hand will continue to soften over the life of the leather creating a patina making it more beautiful with every passing day. Essence displays natural wrinkles, tick bites, healed scars and other range markings that are authentic characteristics.

- Expect some color variations from hide to hide due to the aniline state of the product. Some color fading may occur if the leather is exposed to direct, intense light and heat.
