

ROWDY BISON

- **Description:** Rowdy Bison is American bison hide with wax and oil application to create a traditional western flair. The rustic natural grain exemplifies its beauty. In time the surface loosens and becomes softer with age and a rich patina begins to take hold. Made in the traditional American tanning methods and gets better with age. The leather quality stands up against the finest European bovine but is a genuine and uniquely American product.

Specifications:	Raw Material:	North American Bison
	Hide Size:	40 square feet (average)
	Thickness:	1.3 - 1.5 mm
	Classification:	Full Top Grain
	Type Dyeing:	Aniline
	Type Finish:	“O” Oil with wax Pull-up and Crackle effect

- Customer Care...Keep furniture dust and dirt free. Dusting and vacuuming with a soft brush. Deal with spills and soil gently and quickly (do not rub or scrub). Use a clean cloth or sponge. If necessary, use clean distilled water only and let dry naturally.
- Do not use solvent or any product involving solvents to clean leather furniture
- Natural wrinkles, skin folds, tick bites, cleanly healed scars and other natural range markings are authentic characteristics found only in the very best leather. Like any natural product, grain pattern and color may vary from hide to hide and within each individual hide
- Expect some color variations from hide to hide due to the aniline state of the product. Some color fading may occur if the leather is exposed to direct, intense light and heat.
- Hair oil, hair gels, body oil, body lotions, and some medications can have a chemical reaction to leather that can cause staining, fading, discolorations, and color changes.
- Regular care and maintenance is required to ensure performance and longevity of leather. For our leather furniture, use only our leather cleaning products available from your dealer.
- Warranty for Residential Use Only

Type: “O”

A = Aniline, N = Nubuck, O = Oil/Wax, P = Protected
