BRONCO COLLECTION

➢ **Description:** Bronco is a full top grain leather which is hand-brushed to create a distressed, rustic look. It is a thick cut leather that is distinguishable by its extremely soft hand, rich color and Nubuck finish. Using state of the art technology enhanced by the creativity of an artist's craftsmanship, the tannery synthesizes aging and the look of a well-worn product. This leather will include natural markings such as healed scars, fat wrinkles, stretch marks and insect bites, these are not defects, but part of the natural beauty of genuine leather.

Classification:	Hand Brushed – Full Top Grain
Type Dyeing:	Aniline
Type Finish:	"N" Nubuck

➢ Customer Care…Keep furniture dust and dirt free. Dusting and vacuuming with a soft brush. Deal with spills and soil gently and quickly (do not rub or scrub). Use a clean cloth or sponge. If necessary, use clean distilled water only and let dry naturally.

➢ Do not use solvent or any product involving solvents to clean leather furniture

➢ Natural wrinkles, skin folds, tick bites, cleanly healed scars and other natural range markings are authentic characteristics found only in the very best leather. Like any natural product, grain pattern and color may vary from hide to hide and within each individual hide

➢ Expect some color variations from hide to hide due to the aniline state of the product. Some color fading may occur if the leather is exposed to direct, intense light and heat.

➢ Hair oil, hair gels, body oil, body lotions, and some medications can have a chemical reaction to leather that can cause staining, fading, discolorations, and color changes.

➢ Regular care and maintenance is required to ensure performance and longevity of leather. For our leather furniture, use only our leather cleaning products available from your dealer.

➢ Warranty for Residential Use Only.

Type: "N"

A = Aniline, N = Nubuck, O = Oil/Wax, P = Protected
