

OUTLAND

- **Description:** As leather aficionados we are drawn to every jacket, purse, attaché, wallet as we move thru our lives. These days it is getting hard to tell if products in the market are real or facsimiles. Certainly use over time will reveal the truth. Outland leather is a fashion statement verifying an ancient universal truth; "time will tell". Using state of the art technology and the creativity of an artist the tannery synthesizes aging, achieving the look of a well worn product. Slightly nubuk as a result of this process Outland is Omnia's only offering with an exposed suede like nap. Outland is the natural solution for customers looking for a rustic look but also looking for something..different, something...genuine.

Specifications:	Raw Material:	Bovine
	Hide Size:	45 square feet (average)
	Thickness:	0.9 -1.0 mm
	Classification:	Top Grain
	Type Dyeing:	Aniline
	Type Finish:	"N" Oil and wax Pull-up

- Customer Care...Keep furniture dust and dirt free. Dusting and vacuuming with a soft brush. Deal with spills and soil gently and quickly (do not rub or scrub). Use a clean cloth or sponge. If necessary, use clean distilled water only and let dry naturally.
- Do not use solvent or any product involving solvents to clean leather furniture
- Natural wrinkles, skin folds, tick bites, cleanly healed scars and other natural range markings are authentic characteristics found only in the very best leather. Like any natural product, grain pattern and color may vary from hide to hide and within each individual hide
- Expect some color variations from hide to hide due to the aniline state of the product. Some color fading may occur if the leather is exposed to direct, intense light and heat.
- Hair oil, hair gels, body oil, body lotions, and some medications can have a chemical reaction to leather that can cause staining, fading, discolorations, and color changes.
- Regular care and maintenance is required to ensure performance and longevity of leather. For our leather furniture, use only our leather cleaning products available from your dealer.
- Warranty for Residential Use Only

Type: "N"

A = Aniline, N = Nubuck, O = Oil/Wax, P = Protected
